LEADVILLE RACE SERIES

WELCOME TO THE ADIRONDACKS!

Youphoria Productions proudly presents the **9th annual Wilmington Whiteface MTB**. This exciting race is hosted at the Whiteface Mountain Ski Resort approximately three miles from Wilmington, New York — known for its growing trail network and beautiful mountain scenery. 100K riders: complete the out-and-back loop in under eight hours for your chance to qualify for the legendary Stages Cycling Leadville Trail 100 MTB. It's awesome to have the 50K racers in the mix, too!

Riders and spectators, join us on Sunday for the **AdiRUNdack 10K/5K Run**, featuring a challenging loop course on the Whiteface Mountain trails. All Wilmington Whiteface MTB participants receive \$5 off the cost of registration. Don't forget your appetites and your lawn chairs on Saturday: you'll be treated to live music, post-race food and cold beer.

Please remember that the Whiteface venue, Town of Wilmington and entire local community do a lot of work to prepare the course and offer a first-class racing experience. We thank you for being courteous and doing your part to keep the venue clean.

Explore Jeep roads near Jay and Saddleback mountains, along with technical stretches of singletrack at Hardy Road Trails, the Flume Trail and Whiteface Mountain — the site of the 1980 Olympic Winter Games' downhill ski races offering the greatest vertical drop east of the Rockies. All racers ride one lap in the finish section on Whiteface Mountain.

"Of all the qualifiers outside of Leadville, this is the course that most resembles the Leadville Trail 100. It has two big climbs and is an out-and-back format like the course in Leadville. It also has quite a bit of pavement and like the LT100, drafting and riding in groups is common. Like the Austin Rattler, this course also has some fun and not overly challenging singletrack riding."

—Dave Wiens, 6-time LT100 MTB champion

COURSE INFORMATION

COURSE CUTOFFS

3 p.m. Official Finish Time

You must complete the 100K race in less than eight hours to qualify for the Stages Cycling Leadville Trail 100 MTB. Our desire is to see everyone finish, and we will support you the best we can. However, if we do need to remove someone for missing the cutoff, the decision of the race official is final.

Racers who are registered for the 100K distance will NOT be allowed to change and compete in the 50K distance once the race begins. This will be an automatic DQ. If you are registered for the 100K and wish to change to the 50K, please see Abbie at packet pickup to switch the day prior to the race. Please know we are unable to provide a refund for the difference in price.

AID STATIONS/ON-COURSE SUPPORT

Aid stations are located approximately every 20K along the course:

- Start/finish
- Keene Aid Station (20K, 60K)
- Elizabethtown Aid Station (40K)
- Hardy Trails Aid Station (80K)

Each aid station offers Gu Energy Gels, Gu Roctane, water, fruit and light snacks with volunteer assistance. Our official bike shop partner **High Peaks Cyclery** will be on hand with mechanical support.

DROP BAGS (100K only)

Drop bags will be collected during packet pickup on Thursday or Friday. **We will NOT accept drop bags on race day.** Bags will be transported to the Elizabethtown Aid Station (40K point) and returned to the finish line after the race. **Please remember to claim your items!**

LEADVILLE TRAIL 100 MTB QUALIFIER EXPLANATION

The Wilmington Whiteface MTB provides 50 qualifying slots to the Stages Cycling Leadville Trail 100 MTB based on the total number of registered riders at each qualifier event. Half of the qualifying spots will be allocated based on the top age-group performances and half will be drawn among riders who finish the qualifier race within the allocated cutoff time (sub-8 hours).

WILMINGTON WHITEFACE MTB IS ALLOCATED 50 SLOTS BASED ON TOTAL REGISTRANTS

- 50% of slots will be distributed based on performance at the Wilmington Whiteface MTB.
- Slots will be distributed to each gender and age group (20-29, 30-39, etc.) based on percentage of total athletes in those groups, with a minimum of one slot per group. The top athletes in each age group will receive the allocated slots.
- In the event a top athlete elects not to accept a slot, the slot will roll down to the next athlete in the results, within the age group.
- In the event slots are not claimed after the roll down in each age group, those slots will be allocated to the event lottery, as described below.
- One slot will be allocated for the top single speed rider.
- Slots will be allocated to the top tandem team.

50% OF SLOTS WILL BE DISTRIBUTED THROUGH THE LOTTERY

- All finishers under the pre-determined maximum finish time, who indicate their desire to participate in the lottery will be entered in the lottery when they put the lottery tab from their race plate into the drawing at the Awards Ceremony.
- Names will be drawn from the eligible lottery athletes and slots will be given out.
- In the event an athlete opts not to accept a slot, the slots will roll down to the next athlete that is drawn, until ALL slots have been distributed.

QUALIFICATION SLOTS MUST BE CLAIMED IN PERSON IMMEDIATELY.

Registration for the LT100 MTB must be completed and paid for within the allotted timeframe (you'll get the details when you claim your spot). For the 2019 Qualifiers, riders may elect to race in the LT100 MTB for 2019 or defer until 2020. Through the registration process, riders will be asked to select the year they prefer to race.

ONLY SOLO 100K RIDERS WILL BE CONSIDERED POTENTIAL QUALIFIERS.

50K riders are welcome to race but will not be eligible for a LT100 MTB slot.

ALL LT100 MTB REGISTRATION FEES ARE NON-TRANSFERABLE AND NON- REFUNDABLE.

You heard the man.

LT100 MTB CORRAL/START POSITION

As one of the most well-known mountain bike races on earth, getting into the Stages Cycling Leadville Trail 100 MTB has always been difficult. A qualifier event could not only gain you entry into the LT100 MTB, but it could also boost your corral starting position in the Race Across the Sky!

Rider starting positions will be organized in color-coded corrals. These positions will be based on a finish time from the 2018 (year prior only) LT100 MTB race, a 2018 or 2019 qualifier event finish time, or if you hold a current USCI Pro Elite license. Please enter finish times or license numbers when prompted during the registration process.

LEAVE NO TRACE PRINCIPALS

PLAN AHEAD AND PREPARE

Know the regulations and special concerns for the area you'll visit. Prepare for extreme weather, hazards and emergencies.

TRAVEL AND CAMP ON DURABLE SURFACES

Durable surfaces include established trails and campsites, rock, gravel or dry grasses. Good campsites are found, not made. Altering a site is not necessary.

DISPOSE OF WASTE PROPERLY

Pack it in, pack it out. Deposit solid human waste in catholes dug six to eight inches deep at least 200 feet from water, camp and trails. Cover and disguise the cathole when finished.

LEAVE WHAT YOU FIND

Preserve the past: examine, but do not touch, cultural or historic structures and artifacts. Leave rocks, plants and other natural objects as you find them.

MINIMIZE CAMPFIRE IMPACTS

Campfires can cause lasting impacts to the backcountry. Use a lightweight stove for cooking and enjoy a candle lantern for light. Where fires are permitted, use established fire rings, fire pans or mound fires.

RESPECT WILDLIFE

Observe wildlife from a distance. Do not follow or approach them. Never feed animals. Feeding wildlife damages their health, alters natural behaviors and exposes them to predators and other dangers.

BE CONSIDERATE OF OTHER VISITORS

Please be courteous and respect other visitors. Be aware of others on the trail and yield as indicated.
